SCHOLARSHIP AMOUNTS

Payments will be made up to the amount of the scholarship awarded to a student for a particular school term. Scholarships may pay for tuition, required books, and special fees for courses. No portion of an award may be used to pay any fee for dropped classes, parking permits or any other penalty fee of the Recipient. The amount of each scholarship awarded for these permitted educational expenses normally shall be limited to the amounts for such expenses charged by the Vocational-Technical School or Trade School. Please note all expenses will be paid within the limits of their individual scholarship amounts.

PAYMENT PROCEDURES

The Trustee will make scholarship payments directly to the Vocational-Technical School or Trade School of choice. **Please provide sufficient information such as student ID number or other identifying account information so your award will be correctly credited to your account.** Along with each check, the Trustee will send to the school a letter explaining that any refunds due to dropped classes or terminated enrollment will be paid to the Trust and not to the Recipient.

Scholarships are awarded for one year (school term) at a time. Recipients who wish to reapply at the end of the year may do so by filling out a new application.

In order to be considered for continuing Scholarship awards, a “full time” Recipient must be pursuing the minimum hours per semester or the quarter hour equivalent to be classified as a “full time” student. Exceptions to this rule will be reviewed on a case-by-case basis.

The Recipient must maintain at least a 2.0 grade point average (on a 4.0 scale) each semester.

Notification of withdrawal from school will be permitted if written notification is given to the Trustee prior to the withdrawal period.
